## PEOPLE

Krasnoyarsk region is the birthplace of many talented people!

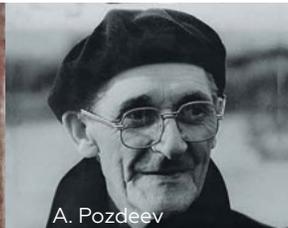

The world famous baritone [Dmitri Hvorostovsky](#) began his career in our city. Great painters [Vasily Surikov](#) and [Andrei Pozdnev](#) created their famous works here. Our prominent fellow citizen, writer [Viktor Astafyev](#) immortalized the mighty Yenisei River in his stories. An outstanding choreographer [Mikhail Godenko](#) and his National Dance Company of Siberia are another illustration of how talented Krasnoyarsk region is. We cannot but mention that Siberia is famous for its strong-willed people: twice Olympic champion, Russian hercules Ivan Yarygin lived and worked in Krasnoyarsk region

- **Left-bank Yenisei** embankment that is considered one of the landmarks of Krasnoyarsk. The pedestrian part is landscaped according to the concept of united linear park. Our team wishes you a pleasant and comfortable stay at the hotel, which has become a new city legend and a landmark of Krasnoyarsk.

The mission of our company is «Warm welcome. Tender care.» We work in contrast: an owl is snowy, nature in Siberia is severe, and the meeting of the guests is accompanied by tenderness, care and warmth! The hotel has everything for that: cozy comfortable rooms, a Siberian restaurant «BUBO BUBO» with excellent cuisine, a SPA center where you can relax from everyday work, a sauna with steam «Siberian SOVDUNY» and much more, which will allow you to get maximum pleasure in one place.
